BITS and PIECES

ASSHOLE OF THE MONTH

LARRY BODINE

The world has no shortage of parasitic professions. Politician, pimp, boil-sucker—the list goes on and on, all the way down to journalist. When it comes to mendacious careers steeped in a tradition of truth-bending, false witness, waffling convictions and institutionalized cowardice, the only thing lower than a journalist is a lawyer. Publishing consultant Larry Bodine is both, lawyer and journalist, and also HUSTLER's Asshole of the Month for January 1992.

Bodine's opinion column, "Larry Bodine on Magazines & the Law," descended to cloacal infamy in the September 26, 1991, issue of *Magazine Week: The Newsweekly of Magazine Publishing*. Under the headline "HUSTLER Wrecks It for the Rest of Us," January's Asshole cites a ruling by the Wyoming Supreme Court upon a libel suit against HUSTLER Magazine, and bleats, "We can thank Larry Flynt for putting a dangerous precedent on the law books that will punish all publishers."

The Wyoming court had decided that trial lawyer Gerry L. Spence (a doomed soul guilty of having represented both Andrea Dworkin and Imelda Marcos) was free to revive a libel suit against HUSTLER for remarks that appeared in the July 1985 "Asshole of the Month." Spence's suit had been shit-canned by a lower court, but the higher judiciary declared: "A public figure is not subject to defamatory attack and criticism just because he is a public figure."

"Things have come to a very

PHOTO BY ABAJ.

dangerous pass for this to happen," observes Jane Kirtly, executive director of the Reporters Committee for Freedom of the Press. "Court cases like this are causing timidity on the part of the press."

This timidity is absent from that part of the press as represented by Larry Bodine, who boldly states: "HUSTLER went too far," and "Flynt's parade of expletives has come back to hurt all publishers." When it comes to the battle for free expression, there's no doubt as to which side Larry Bodine is on.

"'Never send to know for whom the bell tolls; it tolls for thee,' not just for HUSTLER," wrote Wyoming Justice Michael Golden in a dissenting opinion. "The right to freedom of

speech has frost on it today. I am compelled to dissent lest tomorrow it be entombed in ice."

Perhaps ice is what Larry Bodine's mind is entombed in; then again, maybe his sphincters have squeezed too tightly and shut off the oxygen flow to his brain. As a "lifelong journalist" and, in his own small way, spokesman for the Fourth Estate, Bodine's best interests would seem to be to rally *Magazine Week's* insider readership in defense of HUSTLER's right to call an Asshole an Asshole. After all, as dissenting Justice Golden points out, the Wyoming court's decision threatens "any person...who rails...against those who would call the tune to which the rest of us must dance."

The decision menaces the opinions of every magazine, of every editor, of every ignorant, hack-writing shyster and, yes, even of Larry Bodine.

Bodine's reaction is akin to the world's response to the initial aggressions of Hitler's Germany. Where the European community gave up Czechoslovakia, later tossing in Poland, hoping to appease the fascist appetite and save themselves without a fight, Bodine would sacrifice HUSTLER. In a stroke of illogic comparable to blaming the Jews for the Holocaust, Larry Bodine accuses HUSTLER of eroding the First Amendment by exercising it.

Bodine misleadingly states: "I checked the records for the largest libel award in American history. Guess who lost the case? It was Larry Flynt, when a jury in a 1981 libel case leveled \$40.2 million in damages against HUSTLER." Bodine neglects to mention that the \$40.2-million award was overturned by a more enlightened court. "Missed the Facts" Bodine also makes no reference to the \$1 million Larry Flynt spent taking Jerry Falwell to the United States Supreme court, where, in a rare unanimous decision, the High Court upheld the right of a free press for HUSTLER and all "the rest of us."

Larry Flynt has been dedicated to the ongoing battle for liberation of the American mind since his first issue of HUSTLER. Larry Flynt has taken the fight to the courts, he has gone to jail, he has been rushed to an intensive care unit by a would-be assassin's bullets.

What has Larry Bodine done?

FARTS IN THE WIND

Leonard Jeffries: Professor Jeffries is chairman of African-American studies at New York's City College. Among his more moderate teachings is a belief that melanin, the dark skin pigment, gives blacks intellectual and physical superiority over whites. Whites, according to Jeffries, are "pathological," "dirty," "dastardly, devilish folks." That may be true, but Assholes come in all colors.

Norm Charlton: A pitcher for the anemic Cincinnati Reds, Charlton boasted that he

had intentionally hit an opposing player with a pitch. "I hit him on the arm," crowed Charlton, "but I didn't mean to hit him on the arm. He'll be lucky if I don't rip his head off." If hardball Asshole Charlton had better aim, perhaps the Reds wouldn't have lost the game 10-4.

Behavem Zeevi: An Israeli cabinet minister, Zeevi called President George Bush an anti-Semite, though Zeevi himself has demonstrat-

ed rabid anti-Semitism in his official planning to uproot hundreds of thousands of Semites of Arab ancestry and exile them from their homeland. Anti-Semites and Assholes: It takes one to know one.

Ron Slick: Criminal defense attorney Ron Slick has more ex-clients sentenced to die than any other lawyer in California, a Death Row record no prosecutor can match. Slick has ambitions to be a judge—another Asshole on the bench.

KEEPIN' FAITH

With HUSTLER's reputation for telling it like it is, I'm disappointed at the way you've covered up the Dwaine Tinsley affair. He wasn't funny as Dwaine Tinsley, and he sure as hell isn't funny as "J. Proctor." Although it's a shame you didn't keep the faith when the shit hit the fan of one of your own, HUSTLER remains the greatest magazine in the world. —B. K.

Lincoln, Nebraska

Public titillation's our bag; private tragedy ain't. 'Nuff said.

JUST KIDDING, CLIVE!

I want to compliment you on your choice of illustrations by S. Clay Wilson (*Bad Cops: The Poison Blue Flu*, September '91), Joe Coleman (*Swindlers, Grifters & Bunco-Men: The Art of the Con*, August '91) and one of my all-time favorites, the Pizz (*Jihad Jail: Deep Inside a Saudi Slammer*, July '91).

I have one beef about October 1991. What happened to Clive McLean? Did he turn gay, or what? His first pictorial shows two big close-ups of the dick on a right-earring boy, two full-page shots of his naked butt and no pussy at all (*Tricia and Stavros: Stir Crazy*, October '91)! The second one shows a lovely lady named Courtney, but barely shows her quim (*Courtney: Foxy Lady*, October '91). Is Clive bucking for a job at *Playboy* or *Playgirl*, or what? He'd better take some lessons from Matti Klatt. There's a real picture on page 87, courtesy of Matti (*Maggie: Blowin' Chunks*, October '91). Straighten out Clive McLean, or tell him to keep a cap on it. I want more pussy close-ups! By the way, tell Maggie I have sperm as chunky as cottage cheese for her! Remember freedom.

—J. T. B.
Cincinnati, Ohio

Clive does wear jewelry, and he does wear perfume, and he fiddles with his models' makeup, but that doesn't make him gay. His English accent, on the other hand...

Flick Trick

Ripped the fuck off again! First, I rent a tape by this "Nasty Jack." My supposed 60 minutes was about 28 minutes of nothing that resembled the cover. Just a "gentle" guy and a good-looking girl acting like the camera was watching them fuck. Ugh. Then, I get a tape called *Buttnicks Vacation*. Goddamn lackluster fucking if I ever saw it. No one broke a fucking sweat. Then, I got one called *Open House*. Finally, in my fucking patient life it looks like Aja is going to get butt-fucked! Goddamn, I struck gold! But what's this? First the dickhead dick lets her fucking squat on it! Where's the goddamn producer? Okay, I'm still managing to get into it.

Jeanna Fine: *Feeling Fine*

Then they cut to a shot of a couple coming to the fucking house! What the fuck were you thinking, Mr. Producer? Even dumbfuck Paul Thomas wouldn't pull that shit! No, wait a minute, I can't go that far. I still avoid anything with his name on it or that of his fucking alter ego, Judy Blue. I know, HUSTLER—I should have checked your reviews. I normally do, but I just didn't think these stupid motherfuckers could really be in business. Oh, well. My best to Christian Shapiro and Hakim Whithers.

Tongue Teaser

I have a nomination for Asshole of the Month. How about Jeanna Fine? Here's another case of a slut bitch whose middle name should be Hypocrite. I saw her awhile back on *Donahue* saying how the women in pornography are pressured into having boob jobs. She went on to downplay boob jobs and her porn career. Every time *Donahue* referred to her as a porn star, she corrected him and said former porn star. Now, all of a sudden, she's back in HUSTLER (*Jeanna Fine: Feeling Fine*, November '91). Lo and behold, looks like she's had a boob job and fucks and sucks just like in the good ol' days!

I guess Jeanna got into the real world and found out she couldn't make the kind of money she made in porn. Where else can a girl get paid so much without any

talent or education, work only a few hours a week, and get her ego stuffed with millions of guys lusting after her? —R. S. Salt Lake City, Utah

We usually don't pay as much attention to what comes out of a porn queen's mouth as to what goes into it, but Jeanna's got a sexy voice. Who cares what she was saying?

DEAR PEOPLE

Belinda Carlisle is being attacked rather unfairly ("Farts in the Wind," July 1991) for her pro-animal-rights views. Her association with PETA (People for the Ethical Treatment of Animals) is based on a very strong love for others.

It is absurd that the celebrity should be attacked for supporting animal-rights organizations purely for mercenary reasons. I congratulate her for speaking out against the abuse of our animal friends. By abusing and torturing our animal brethren, we are degrading our civilization.

If this sounds like preaching out of a Bible, maybe it is. I am not religious "by the book," but I believe in basic human dignity and kindness to all living creatures. —E. M. Nova Scotia, Canada

If Belinda Carlisle cares so much about animals, why did she endorse a shampoo made by a company that conducts live-animal research? Since you brought it up, HUSTLER believes the air pollution caused by tired, sow-belly MTV hags accounts for most of the suffering in America.

JUST THE FACTS

Just read the September 1991 HUSTLER. You are the vilest assholes of the century. Asinine and totally irresponsible. All HUSTLER buyers are assholes, and God knows how they can still get an erection after reading your slime! —K. J. B. West Frankfurt, Germany

HUSTLER readers get an erection by seeing our slime, K. J. B. They save the reading for afterward.

HELL'S BELLES

Wake up, HUSTLER employees! Do you think you'll be publishing your filthy magazine in hell? Because that's exactly where you people are going—straight to hell! —J. A. San Diego, California

Sorry to cut your hilarious letter short, J. A., but we've just got news of an exciting, new discovery to help lessen hell on earth....

THOMAS A. EDISON, JUNIOR
In 1984, when I was about 22 years old, I discovered something to alleviate a problem men and boys have experienced since the beginning of time. I've never told anybody except my uncle, who is a lawyer. I want to find the most profitable way to expose my discovery to the male population of the world. Then I thought of HUSTLER. You have many interesting articles. I hope my discovery will interest you.

For years, men and boys have experienced the problem of getting the last drip out when done urinating. It is extremely uncomfortable to feel wetness when the last drip finally comes out. I have discovered a solution to this problem. Men and boys will thank me and HUSTLER when I share my solution with them.

My uncle told me not to sit on this discovery any longer, since it has been seven years already. Please respond. —T. Z. Goshen, New York

T. Z., we'll put it up to our readers. If a million of them write in, begging to know of your dick-wiping discovery, HUSTLER will publish the miracle. P. S.—It doesn't by any chance have anything to do with shaking, does it?

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to Feedback, HUSTLER, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

HOT LETTERS

TIGHT FIT

Tammy was my girlfriend for several months. I didn't know much about her other than that she looked good. We both attended a local college. She would often drop over to my place for a beer or to fuck or watch TV. I considered myself damn lucky to have her spread her legs for me. Half the guys at school were trying to get into her pants, and well-filled pants they were. Her big, rounded buns looked like silky sacks of flour. They wiggled and clenched when she walked. A fellow could cream in his pants just watching her walk away from him. She had nicely shaped hips, full and luscious. Her thighs were succulent, flowing like white chocolate to fine legs and ankles. My mouth and my dick watered just to see her.

One evening Tammy was at my dorm apartment. We had been necking up a storm for an hour or so. The room was filled with our hot and heavy breathing. The sweet, thick fragrance of Tammy's pussy juice filled the air. She touched my cheek in the dark. We kissed passionately.

"You're sweet," she said. I caught a hint of hesitation in her voice. "You know what I'd like?" she asked.

She didn't say anything else. She simply leaned toward me, and we started to play tongue tag. She slithered her tongue between my lips, and I sipped on it. At the same time, she took my hand and slipped it under her skirt, pushing it under the elastic of her bikini panties.

I massaged her blistering twat, feeling its slick juices ooze between my fingers. Nipping my ear, she wiggled and pushed my hand down farther. My fingertips were

in the crevice of her buns. I massaged the tight, golden rim of her anus. She gurgled with pleasure and jammed my hand against her butthole.

We'd cunt-fucked a dozen times. It was fine with me, but apparently Tammy wanted something extra. With my fingers slipping inside her tight ass rim, I was finally getting the idea.

She pulled her sweater up and thrust a firm boob into my mouth, then lay back on the couch and contentedly let me nurse on her erect nipple while I caressed her puckered back entrance.

Her breath was coming faster; so I slipped her panties from her hips. She turned around on the couch. Her rear end was exposed to me.

I ran my palm across her pale moons. Tammy's ass was smooth and flawless. She moaned and bucked like a mare in heat as I caressed her two voluptuous buns. I held them apart and leaned forward, softly blowing a mild breeze into her back entrance. She cried aloud. I saw the brown, puckered rim open and shut. She clutched the arm of the couch and spread her legs.

I hawked a hot loogie between her spread ass cheeks. The yellowish fluid trickled along the crack, nestling in a puddle in the bush of her pussy. With my middle finger, I fondled her sphincters, coating the rim of her puckered hole with my spit. I leaned forward and flicked my tongue into the dark entrance, wiggling the tip. Tammy inhaled sharply. The delicate flavor of her butt-slice filled my mouth. It had a subtle fragrance. I slithered my tongue down her shitter, burrowing in. She arched her ass to more fully expose her anus.

On my knees behind her sweet, upturned butt, I brought out my pecker. My cock was so stiff, it was an easy matter to slip a lubed sheath over it. It was for my protection, not Tammy's. If this little gal was so hot to get reamed, who knows what sort of goo she'd had jettisoned inside her canal?

She held her cheeks apart for me. I put the head of my cock against the greased

entrance and slowly eased my meat inside. Although her creamy ass was wide, and she was slick as a pig, her anus was incredibly snug. I took my time. I felt an overpowering urge to split her like a rail, but her butt was a vise. Inch after measly inch disappeared in exquisite torment. Finally, my balls were resting in her damp crack.

I pulled back, listening to her anus slurp as I withdrew. I gripped her hanging boobs as I penetrated her again, this time plunging more forcefully. Then I was taking the field with short jabs. Tammy squealed and sighed. I felt her anal muscles relax, grabbing for my cock.

Resting the side of her face against the arm of the couch, she reached underneath, between her spread legs, and fondled my swinging sack, then trailed her fingers into her bush and massaged her clit. With a sudden inhalation of breath, she stuck her entire hand up her cunt. Man, this

bitch was surprising me with every turn!

Through the thin wall of flesh, I felt her stroke my shaft as she fist-fucked herself. Every now and then, she squeezed my balls, tracking her sticky fingers over the jizz-swollen globes.

I pounded into her with the pneumatic force of a jackhammer, holding her hips for handles. Her ass jiggled like vanilla ice cream in a blender. I felt my orgasm building and tried to shove my whole scrotum inside her hole with every blasting stroke. Tammy whimpered under the onslaught. She reached behind and gripped my tight ass muscles, digging her long nails into my flesh, nearly splitting the skin.

I shouted an obscenity and slapped the

DEEP INSIDE CENTERFOLD GIRLS

Three-Quarters Erect. Directed by Greg Dark; starring Selena Steele, Ashlyn Gere, Angela Summers, Tianna, Jamie Leigh, Stacey Nichols, Marc Wallace, Buck Adams, T. T. Boy, Tom Chapman, Blake West and Bill Miller. Videocassette: VCA.

The video-spuzz biz is not a glamour industry, especially not for its slime-anointed stars, and nowhere is the skin celebrity less exalted than in director Greg Dark's latest uplifting gutter submersion, *Deep Inside Centerfold Girls*. Up, periscope: Selena Steele sucks a real skeleton's black-rubber dong and bony, dead fingers; tight, light Tianna applies pussy torque to dark; a wicked wench fingers a dollop of butt-fuck jizz from the bottom of a stuck-ass jezebel's shoe and lays the off-white wad upon her tongue; a double-plugged, shaved-slot slut quivers beneath twin blasts of dick snot; Ashlyn Gere drinks cock juice from a high heel after being dicked and drenched by a committee of cock-wielders. Aside from a surplus of academic doggerel about "the need to be nude," most of which is uncharacteristically flat and brain-damaged for a Dark production, *Inside Centerfold Girls* is deeply satisfying.

—Christian Shapiro

Gere also sucks cum from a high heel.

Tianna explores a woman's need to be nude.

Ambition: For the first half, it's a cranker's delight.

BLONDE AMBITION

Half Erect. Directed by Jack Stephen; starring Taylor Wane, Alicyn Sterling, Delta Force, Marc Wallace and Tom Byron. Videocassette: Cinderella.

It's difficult enough finding one hot blonde willing to get her face drenched in dick spatz; so when a tape comes around with three sopping sluts, whip out those peckers and take notice. Alicyn Sterling (one of the cutest little pink fuckholes to ever hump into porn) and Taylor Wane do double dick-sucks and face-splats in just about every sex scene. Muscle slut Delta Force invites herself into a threesome, kicks Wane and Sterling out and takes on Marc Wallace with her mouth, big tits and powerful ass. With only three chicks, the action bogs down, but the first half is a cranker's delight.

—Rusty Knox

RACQUEL IN PARADISE

Half Erect. Directed by Derrick Lane; starring Racquel Darrian, Derrick Lane, Rayne Kayne, Jon Dough, Trixy Tyler, Biff Malibu, Tiara West, Buster Cheri and Hot Cinnamon. Videocassette: VCA.

Alternate title: *Racquel and Derrick Write Off Their Mexican Vacation by Bringing Along a Camcorder.* If it weren't for Darrian's exquisite body, *Paradise* would have been released through an amateur video distributor. Watching Darrian squirm in the sand, crawl on all fours, wiggle her ass in the air and spread her juicy twat is like watching *HUSTLER* come to life. The other babes may be a step down from Darrian, but Kayne, Tyler and West all have a slutty, sun-drenched quality to the way they screw, giving a few moments of pud-pulling pleasure, but nothing approaching *Paradise*.

—Lenny Wilde

PASSAGES 2

One-Quarter Erect. Directed by Paul Thomas; starring Jennifer Stewart, Christy Canyon, Marc Wallace, Peter North, T. T. Boy, Loretta Sterling and Heather Hart. Videocassette: Vivid. Shot on film.

Not every porn film requires sphincters being split, pretty faces doused with goo and pussies pummeled to be erotic; there is room for "couples" films. Unfortunately, *Passages 2* is so deadly dull, the only couple liable to get turned-on are Ma and Pa Kettle, and even they might give Bossy the cow a second look before watching any more in this lame series. Christy Canyon and Jennifer Stewart play college roomies with wildly different sexual appetites. Canyon gobbles all comers; Stewart frets over giving up her pussy to boyfriend Marc Wallace. If not for a decent threeway with Canyon, Wallace, and T. T. Boy, *Passages 2* would be completely limp.

—Sam Lowry

Racquel is ravishing, but not necessarily *Paradise*.

Passages: A kinder, gentler way to fuck.

MALIBU SPICE

Half Erect. Directed by Alex deRenzy; starring Jon Dough, Sean Michaels, T. T. Boy, Jeanna Fine, Marc Wallice, Joey Silvera, Miss Pomodoro, Randy West, Peter North, Ashlyn Gere, Angela Summers, Barberella, Moana Puzzi, K. C. Williams and Johnny Ripper. Videocassette: VCA.

Cute, cum-coaxing cunts who fuck fast and furious, and suck cocks in a shitload of sex scenes, are what every voyeur envisions and hopes for, and what *Malibu* supplies in the form of Jeanna Fine, Ashlyn Gere and the toothsome Italian threesome of Miss Pomodoro, Barberella and Moana Puzzi, but too many sex scenes that are sans spew, too short or erratically edited, and a sappy, out-of-sequence-with-the-sex-scenes story spoil the taste of *Spice*. —Woody Hood

HOME BUT NOT ALONE

Half Erect. Directed by Robert McCallum; starring Kimberly Dawn, Alicyn Sterling, Bianca Leanna Foxx, Brigitte Aime, Sean Michaels and Wayne Stevens. Videocassette: Western Visuals.

Is it getting harder to find good-looking babes willing to butt-bone? The anal Annies in *Not Alone* are homely at best. Kimberly Dawn is a puppy-eyed, plain Jane looking for kinky thrills while her boyfriend works the night shift. Outside of eagerly taking a big, greasy pecker up her ass, she's ridiculously out of place in a fuck film, squiggling around with the erotic appeal of a stuck pig. Brigitte Aime, a notorious, sphincter-stuffing slut, hardly squeaks as her rump gets humped. The erotic punch comes from Bianca, taking a face-shot from a dick that's just ravished her rectum. Aside from a forced fuck of Alicyn Sterling and Dawn by two burglars (sure to piss off the feminists), the show slowly grinds to a boring halt. Underexposed, washed-out photography doesn't help either. —R. K.

SINS OF TAMI MONROE

Three-Quarters Erect. Directed by Patti Rhodes; starring Tami Monroe, Mike Horner, Jon Dough, Sean Michaels, Joey Silvera, Tori Welles, Erica Boyer, Brad Armstrong, Mandi Wine and Parsche Lynn. Videocassette: Caballero.

This collection of six sex scenes forms a sort of *Tami's Greatest Hits*, and each one is right on target, hitting directly below the belt. Admirers of tiny, tantalizing trollop Tami will find plenty of wallop here. No story slows the sex; so see Tami suck. See Tami fuck. See Tami take on three guys. See Tami take on three girls. See Tami delight dicks with her sexy Southern drawl and cum-absorbing tongue. See Tami take it in the face and smile. *Sins* offers surefire salvation.

—W. H.

Sins offers surefire salvation.

Malibu is spiced with voyeuristic thrills.

Dawn is *Home* with a greasy pecker in her ass.

Cunts crying faked pleasure isn't much of a **Party**.

PRIVATE AND CONFIDENTIAL

Half Erect. Directed by Stuart Canterbury; starring Cameo, Paula Price, Lauren Brice, Nikki Wilde, Eric Price, Cal Jammer, Beau Michaels and Tracey Adams. Videocassette: Arrow.

In the cutthroat world of corporate business, fucking over a competitor is the main objective; thus, the plot of *Private and Confidential*. Eric Price has a computer program that Paula Price will do anything to get, including sending out prostie Nikki Wilde to seduce guard Beau Michaels in the tantalizing opener. Seeing she'll have to do things herself, Paula takes Eric's business firmly in hand, mouth and bush in the film's hottest hump. She throats his two-tone tool, then ravenously rides him and ends up getting both tit- and face-fucked, with a cum shower raining down on her lips and jaw. There's also a good Cal Jammer slammer of hot-boxed Cameo, and a nice music score by a group aptly called Penetration.

—S. L.

BAD NEWS BRAT

Half Erect. Directed by Paul Thomas; starring Jamie Summers, Tianna, April Rayne, Mickey Ray, Marc Wallace, Trixy Tyler, Tom Byron and Peejay. Videocassette: Vivid.

Jamie Summers is not content with the bubbly, cute character she's been playing. She wants to be dramatic. How? By becoming a leather-clad dominatrix under the guiding whip of Tianna. Summers looks great with her fleshy nipples sticking out through holes in her black bra, but she's not much of a dominant, more like a brat who really doesn't know what she wants. Aside from a momentary deep-throating of Marc Wallace and a tongue-sponging of badly tattooed Peejay's dick, Summers's sexings are nothing special. Poor camera angles and a lousy soundtrack contribute to the *Bad News*.

—W. H.

PARTY PACK

One-Quarter Erect. Directed by Scotty Fox; starring Danielle Rogers, Devon Shire, Champagne, Celia Young, K. C. Williams and Cassandra Dark. Videocassette: Legend.

This is a cacophony of cunts crying faked pleasure in another trashy, low-budget video aimed for the mindless mass market. Scotty Fox directs six girls doing six girls in predictable situations in a contrived storyline about a bachelorette party amid some distracting background music. —Peter Grunt

ASSUMED INNOCENCE

One-Quarter Erect. Directed by Stuart Canterbury; starring Cameo, Lauren Brice, Stephanie Rage, Sharon Kane, Brook London, Bobby London, Cal Jammer, Tom Byron and T. T. Boy. Videocassette: Arrow.

The good news is that Stephanie Rage is back. The bad news is that she generates about as much excitement as a cock in a wet sock. Rage is easily out-fucked by porn upstart Cameo, a nasty cutie who slams ham with Cal Jammer and whisks his cock down her mouth like a roto-rooter snake. Lauren Brice once again acts like she'd rather be somewhere else. T. T. Boy hardly talks and just grunts and fucks the babes with his wide-barreled pecker. *Assumed* is innocent of everything except terminal boredom. —L. W.

SLEEPING AROUND

Half Erect. Directed by Henri Pachard; starring Jon Dough, Ashlyn Gere, Flame, Cal Jammer, Buck Adams and Mercedes. Videocassette: Caballero.

Sleeping Around is roused from its stupor long enough for Ashlyn Gere to snarl all over Jon Dough's cock and to flutter her fingers in his asshole, for Cal Jammer to momentarily bestir Mercedes doggy-style, and for Buck Adams to leave Mercedes a wake-up call of cum on her tongue. These are the only glimpses of excitement in a haze of erratic editing, mediocre camera angles and a torturously slow pace. Before dozing off for good, Dough sleep-fucks Flame, who later snoozes between Gere's legs. They should have let sleeping studs and starlets lie.

—W. H.

The good **News** is Summers looks great.

TAKE A WHIFF!

THERE'S NOTHING LIKE FRESH PUSSY

to brighten a Porn Valley morning, and on the blue horizon blossoms three sets of moist petals. Take a deep breath and savor the wholesome, unfurrowed fragrance of Fawn Miller, Summer Knight and Sunset Thomas, their delicate bouquet and firm, floral spread not yet overplowed by industry field dicks and churned into tomorrow's masturbation mulch. Photos: Scott St. James.

FAWN MILLER

"My husband talked me into porn, and I figured to have some fun and make some money. Besides, I enjoy the fact that people get to see me and that they're excited by it." This babe from Boston (hey, a Boston Teat Party) can be seen in *Buttman's Big Tit Adventure*, *The Chameleon 2* and *More Dirty Debutantes 11*.

SUNSET THOMAS

"I came from Florida, where I was a runway model, to get into regular modeling, but they just try to fuck you. Nude modeling is safer; nobody pushes me to do something I don't want to do." A self-described country girl, Thomas says she enjoys getting fucked doggy-style, but was too shy to explain why. Watch her in *The Chameleon 2* and come to your own conclusion.

SUMMER KNIGHT

"I like the porn industry because nobody in this business has all those sexual hang-ups, and I can be open about my own sexuality." Knight, an aerobics instructor with a passion for downhill skiing, has several as yet untitled credits under her garter belt.

JEFF LOVES JAMIE'S BUTT

Jamie Summers, the blond, cutie-pie star of the popular *Brat* series, has made a return to XXX, throwing away her sweet, girl-next-door image to take cock up her ass, and not just any cock, but the monster throb Jeff Stryker keeps between his legs. In *Cummin' Together* (Video 10), Stryker gives Summers her first onscreen butt-fucking. How did she take it? "Painfully. She doesn't talk to me now," Stryker half-jokes. "I think she should have experimented more before we did it. Eventually, she got into it, and it turns out really hot. There's lots of screaming and carrying on."

Sterling is a **Bite!** of dick-thumping delight.

BITE!

Three-Quarters Erect. Directed by Scotty Fox; starring Alicyn Sterling, Buck Adams, P. J. Sparx, Randy West, Alexandria Quinn, Mike Horner and Lorraine Day. Videocassette: Legend.

Cum dripping on overheated pussy, a sperm-bloated boner pulling out to baste bush, then plunging in again, a spurting dick double-licked by two pairs of hungry lips—these are just a few of the hard-on-hardening highlights to be had in this triple-X video version of the Count Dracula legend. The story works and the soundtrack is superior. Cock-creaming camerawork, featuring angles and close-ups that inflate instead of frustrate, and editing that enhances erotic aspirations with a smooth flow of energetic, passionate fucking and sucking make *Bite!* a dick-thumping delight. Take a mouthful. —W. H.

THE DESERT FOX

Half Erect. Directed by Henri Pachard; starring Cameo, Taylor Wane, Madison, Alicyn Sterling, Tom Chapman, Blake Palmer and Cal Jammer. Videocassette: Vidco.

In a stiff-rod salute to the men and women who became part of Operation Desert Storm, Taylor Wane and Tom Chapman play reserves who get called up to serve Uncle Sam, but not before they enjoy their last few days as civilians in sensual style. Wane's dirty-talking, panty-sniffing, crack-wiping encounter with Blake Palmer is about as hot as a scene can get without any actual fucking. An enthused Madison rides roughshod over Chapman in the film's opening, while the closing cunt-cram between Cameo and Cal Jammer is the heated high point, as he pulverizes her poon on top of a table. —S. HOT LETTERS (continued from page 17)

Her ass jiggled like ice cream in a blender. I felt my orgasm building and tried to shove my whole scrotum inside her hole with every stroke.

back of her head as my shaft exploded in a rush of ecstasy. Wad after wad erupted from my inflamed cumtube. I kept pumping till the greasy rubber full of hot, fresh lubricant slithered out of her asshole.

She was jerking and twitching in her own deep climax, whispering, "Thank you, thank you, thank you." She stroked her asshole and pussy with the dirty rubber, which leaked globs of ball juice into her pubes.

She turned around and took my raw dick in her mouth. "Ugh," she said. "Tastes like rubber." She slipped a hand across her asshole, collecting a smear of gunk, which she rubbed along the length of my prick.

"I want to taste where it's been," she explained, before throating my tool to the base. Again I shot a load of spunk, painting her tonsils with jizz.

She gagged and spat a smelly pile of semidigested sperm on my stomach. Then she collected her breath and lapped it up. She tried to kiss me, but I pushed her away.

Tammy dropped out of school. I don't see her no more. But I can honestly say she changed my taste in women. The only girls that interest me now are the ones with the motto "No holes barred."

WET AND WILD

My neighbor April is a very special lady in more ways than one. Besides having a great personality, she's got a body to die for—all legs and tits. The men in the 'hood salivate when she struts past, and the fatter guys tuck in their tummies impulsively, trying to impress her.

She and I got along great as neighbors, but I'd been reluctant to go beyond that stage. I'm somewhat shy. Truth is, I'm intimidated by gorgeous ladies, figuring I'll never stand a chance with them. But I got to know April in a most unique manner not too long ago. I wonder, did she lock herself out of the house on purpose?

I was watering the lawn one autumn afternoon. Her car pulled into the driveway. She got out and fumbled with her purse. She wore a short, black-leather skirt and a tight, red-cashmere sweater. I saw her shake her head, as if she were upset about something. After she'd been to the front door and to the back and back again, I realized she must have locked her keys inside.

I was about to head over and offer some

help, but stopped in my tracks when I overheard her mutter, "Damn, I've got to pee so badly!" She went over to a backyard tree, thinking it would conceal her. It put her more plainly into my line of vision as I peeked through a crevice in the fence.

She hiked up her skirt around her hips, showing off her black garter snaps and the smooth, white flesh of her thighs where her black stockings ended, then pulled her panties down to her knees and squatted, eager for the pee to emerge.

It soon came, a yellow burst splashing into the grass. The stream turned into a never-ending river. The longer she shot, the stiffer I got. Finally the shower ended. She shook her tight lips of any leftover droplets and started to pull up her underwear and push down her skirt. As she did, she happened to glance at the fence. The fence crack was bigger than I thought. I heard her say, "You always watch people pissing in backyards?"

I straightened right up, my face turning as red as blood. "I'm really sorry," I blurted. "I was coming over to help—it looked like maybe you locked yourself out of the

house—I couldn't exactly interrupt you, you know?"

"Come over and help me break in," she grinned. I'm sure the first thing she saw when I walked over was my prick bulging in my pants, but she didn't say anything. It turned out one of her back windows was open. With a boost, she was inside. She thanked me. I split.

An hour later there was a knock at my door. April stood outside. "I have to piss again," she said, leering at me with a dirty, sexy expression. "Want to help me this time?"

She suggested I strip and climb into the bathtub. With her heavy, thick-nippled tits hanging in my face, she stood over me and started shooting blistering, golden pee onto my body, the molten liquid scalding my aching prick. She jerked me off under a continual spray of her hot water. When I came, shooting wads of white cum into the air, her piss stream knocked it back into the tub.

Watersports have become my favorite fuck activity. Those of you who think it's gross, remember: If sex ain't dirty, you ain't doing it right!

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

FUCK U: COLLEGE PROSTITUTION MAKES THE GRADE

BY SCOTT SCHALIN

The man was old enough to be her father. Balding, overweight and still dressed in his white undershirt, he slid himself inside the 20-year-old coed, who arched her limber back across the standard-issue dormitory mattress, masking the squeaky springs with girlish squeals of sexual satisfaction. He pumped as vigorously as his 50-year-old body allowed. Her golden-skinned waist was so thin, his fat thumbs and forefingers—along both sides of her sweet, bucking crotch—nearly met.

Sweat from his double chin moistened her stiff nipples. He groaned and pulled her closer. She surreptitiously snuck a glance at the digital clock next to her bed.

Finally, she felt his balls twitch, signaling the onslaught of hot semen that quickly filled the vulcanized condom inside her. He thrust one last time with a wheezing gasp before collapsing on top of her in a sweaty daze. Without so much as a single drop of her own sweat marring her bright eyes and perfect complexion, she patted his ruddy, wet cheeks and politely asked him to dismount.

Flushed and out of breath, he self-consciously sat up while she told him how wonderful their three and a half minutes of passion had been. Unfortunately, she was late for another appointment and had to go. He understood. He apologetically dressed, refastening the navy-blue tie that was a Father's Day present many years ago. While she washed up in the bathroom, he called out a timid salutation and departed, as quickly as he'd come.

She emerged from the bathroom, shaking her white-

blond hair, and buttoned a pair of faded jeans. On the dresser beside the bed lay \$200—a pile of twenties.

She shoved the crisp wad of cash inside her economics book and frowned. She was late for class. Again.

For some, college is a time of self-discovery. For others, it's useful only to impress a flabby, future spouse during reruns of *Jeopardy*. In any case, once a man's age exceeds his waistline measurement, it's a sure bet that the one thing that gives his sagging virility a rise is the image of a tight college girl embodying the carefree carnality of youth. And college girls have been known to take advantage of it—for a fee.

According to *The Hite Report on Male Sexuality*, age was mentioned most frequently regarding desirability of female sex partners. Most men preferred younger women. A 53-year-old man quoted in the report summed up his feelings: "I am definitely attracted to younger women and repelled by older ones. The young ones have fresh, beautifully formed bodies with firm skin, and the older ones have wrinkles and sagging breasts that repel me."

Is it any wonder that college coeds are prime targets for pandering adults in search of recapturing their own youth by cashing in on someone else's? Or that college girls of legal age of sexual consent not only reflect the virginal qualities of youth, but sell it?

One of the most publicized cases of campus prostitution occurred at Brown University, an Ivy League school in Rhode Island boasting John F. Kennedy and Amy Carter among its alumni. In 1986, two 21-year-old seniors were arrested and charged with prostitution in what investigators suspected was a Brown ring of whores.

The girls were arrested after an undercover officer answered an ad in *The Providence Eagle*. It read: "Indulge yourself. Experience unparalleled [*sic*] pleasure in the form of two Ivy League blondes. Generous Gentlemen only."

Inspector Malcolm Brown first contacted Dana Smith, a lissome blonde with meaty lips whose only negative character flaw appeared to be her fanatic devotion to the Grateful Dead. The two met at a local coffee shop before she took him to her off-campus apartment. Once inside, she was given \$150 and began to strip. Just as she slid her tight, tattered jeans down her smooth, round hips, Brown arrested her on the misdemeanor charge of prostitution.

That same night, Brown arranged a meeting with Rebecca Kidd. He arrived at

the apartment of a woman resembling a young Cheryl Tiegs. Police reports indicated she answered the door wearing an oversized shirt and high heels. Her thin, cotton shirt presumably flapped seductively in the warm, spring breeze, revealing long, sculpted legs supported by twin spikes. Underneath, she wore only a black G-string and matching lace bra.

Kidd invited the inspector inside and pocketed the \$250 they'd agreed upon over the phone. She turned her back

and slowly unfastened her bra, while describing in detail her many "specialties," all available for additional fees. Her firm areolas must have blushed at the sight of the police badge that signaled—at least for one night—the end of their capitalistic carnality.

In light of the fact that conservative Rhode Island law prohibited oral sex even with a spouse, the student-squack-sell scandal understandably stirred up quite a fuss. Police longed for a swift resolution to the embarrassing case, but never considered that the Brown girls could have acted alone. Apparently the Rhode Island investigators couldn't believe that two gorgeous, intelligent women would think of a way to cash in on their looks. They zealously pursued an outside influence to blame for organizing a prostitution ring within the hallowed university.

The prime suspect was a prominent, 48-year-old insurance agent, who coincidentally possessed photographs of the Brown girls—along with those of nearly 150 other women—in various states of undress and also maintained a phone file—apparently to reach any one of the women at a moment's notice. Unfortunately for local officials, there was never any evidence that linked him to any sort of prostitution, and the lascivious photos indicated nothing more than a scopophilic hobby.

The insurance man linked to the girls claimed he didn't know why Dana Smith and Rebecca Kidd sold themselves. He suggested curiosity and peer pressure played a part. Smith and Kidd refused to speak of their motivations. It's interesting to note, however, that their case came to light at a time when federal government cuts had slashed the already depleted funds for student loans and scholarships, compelling college students across America to meet their debts in other ways. Not many traditional student jobs pay \$250 an hour.

Campus whoring certainly exists on an organized scale. In 1988, prostitution ringleader Hal Mintz, the chairman of the business department at East Los Angeles College, was found guilty of conspiracy to maintain a house of prostitution.

The professor, practicing the same economics he taught at school, operated what he termed the "cleanest massage parlor in California," located on Santa Monica Boulevard across from the West Hollywood City Hall. In the four years that police monitored the house, at least ten women were arrested for sex-related offenses.

Society maven Sydney Biddle Barrows, whose ancestral link to the Pilgrims earned her the moniker Mayflower Madam, solicited students from Manhattan's Fashion Institute of Technology to join her elite, million-dollar-a-year prostitution ring. The F.I.T., which attracted aspiring models and actresses, proved the ideal hunting ground for Barrows, who studied merchandising and business management prior to her arrest for fuck-hawking in 1984.

In pandering situations such as these, the students knew exactly what was going down—an easy business opportunity to blow and go for good cash. But many have been lured into sex-for-hire unwittingly, as was the case with the victims of Dr. Rodney Thorpe, an English anesthesiologist who hired male students from the University of Oregon to provide sexual fodder for his nymphomaniacal wife Nancy.

University psychology departments regularly enlist students for research purposes, exchanging cash or class credit for cooperative participation. In 1989, Dr. Thorpe and his wife posed as scientific researchers studying the "sexual

potency of the mature female," as part of what they called "an Oxford University project." Mrs. Wood, 44, distributed flyers at the University of Oregon that called for the participation of men between 18 and 23 years of age.

One student, who later testified against the pair, claimed that he went to the Woods' apartment and had sex with Nancy while Dr. Wood filmed and tape-recorded the encounter. The student was paid \$30 for his contribution to science.

In October 1989, the Woods pleaded guilty to prostitution charges. Less than two months later, Dr. Wood was found dead in his home, with a self-inflicted bullet hole in his brain.

The moral? If you want to buy or sell student sex, leave it to the students. Despite the glaring scrutiny of the media, prostitution persists in America's upper-educational systems. A student who recently graduated from Amherst University in Amherst, Massachusetts, recalled a campus female who operated a fuck service to relieve masculine scholars from the pressures of term papers and final exams—for a fee.

"She didn't have an ad in the papers or anything," the graduate reported. "Her number was passed around by guys who had been with her. For \$20 any guy could walk up to the dorm and get a quick blowjob."

That's the best advertisement—word of mouth. As good a reason as any to sign up for that extension class. ☹

"I don't need batteries, sonny!"

MONDO BOX

Roberto Medina made boxing history by becoming the only escaped convict stupid enough to appear on ABC's *Wide World of Sports*.

In 1500 B.C., an Athenian hero named Theseus sat two combatants face-to-face on a pair of large, flat boulders and had them pummel each other with bare fists until one of the fighters fell off. At Theseus's urging—and to the delight of the assembled throng—the winner then beat the loser to death. It was the birth of modern boxing.

It's hard to believe that a culture that invented democracy could foster such a barbaric form of competition. Had Theseus known he'd be responsible for creating a Hector Macho Comacho three and a half millennia down the line, he might have opted to entertain the local citizens with a poetry reading instead.

Between its Don Kings and its Butch Lewises, professional boxing has become a surrealistic sideshow—a sideshow that's attracted more than its share of freaks.

FITS OF FURY

They say you have to be half-crazy to be a professional boxer. For 1983 WBC super-lightweight champion Bruce Curry, being half-crazy would have seemed sane. When Curry shadowboxed, his shadows boxed back.

Inside the ring, Curry was a proverbial overachiever, even when matched against

stronger, more seasoned opponents. Reality outside the ring he couldn't handle.

Most insiders were aware of Curry's emotional problems and avoided him. One who couldn't was his trainer, Jesse Reid, whom Curry tried to murder after losing a 1984 title fight.

Reid had been the main focus of Curry's paranoia for years. "Everything good that happened in his life, he felt I caused it," Reid told the press. "Everything bad, I caused that too."

Curry would call Reid in the middle of the night and ask why the trainer had made his girlfriend spill popcorn on him at the movies. He'd want to know why Reid had put a fly in his room when he knew that if Curry were to fall asleep with his mouth open, it could fly down his throat and kill him.

Curry attacked his trainer numerous times during their stormy, eight-year relationship. He once jumped him from a second-floor window while Reid was knocking on the front door. He slashed Reid's tires and chased him with an ax. When Curry wanted to do his roadwork by moonlight and carry a baseball bat to fend off attacking dogs, Reid reluctantly agreed, but he made sure the champ always ran in front of him.

By the time Curry stepped into the ring for a January 1984 title defense against Bill Costello, the boxer's demons had taken full control, sapping Curry of whatever fight he might have had left in him.

"He was punching like a girl," Reid said of his fighter's nonperformance.

Curry took 29 unanswered blows in the tenth round after getting up from a knock-down. Reid stopped the fight.

Back in the dressing room, Curry's manager, Billy Baxter, told his fighter to give up boxing. Curry, catatonic on a training table, didn't say a word.

A few days later the boxer showed up at the Golden Gloves Gym in Las Vegas, threatening Reid with death. "I'll show you who's shot," he growled. "I'll beat your head in!"

Reid, a former middleweight, quickly popped the stitches on a cut above Curry's eye, sending the boxer racing to his car for a gun. Reid had locked him out of the gym, so Curry took aim through a hole in the door and fired three rounds, barely missing Reid's head.

At his trial, the local Nevada D.A. described Curry as "bonkers." The court psychiatrist said he was "pretty far out." The presiding judge had Curry take up residence at a state-run mental institution.

AMERICA'S MOST WANTED...BOXER

On July 20, 1985, Florida middleweight John Garcia, alias Roberto Medina, made television boxing history by becoming the only known escaped convict stupid enough to appear live in a featured bout on ABC's *Wide World of Sports*.

Garcia, 29, whom Norfolk, Virginia, police were able to identify from several distinctive tattoos, was arrested in his dressing room following an eight-round loss to Olympic gold medalist Meldrick Taylor.

"We weren't sure it was him until he took off his warm-up robe in the ring," said police lieutenant Curtis Todd Jr. "When we saw the red rose tattooed over his heart, we knew we had the right guy."

After his arrest, Garcia was turned over to authorities in Colorado, where, in 1982, he had escaped from a state prison while serving time for multiple felony convictions, including forgery, assault and grand-theft auto. He'd been arrested 61 times in the Denver area alone.

During seven years in prison, Garcia had learned to box. So upon breaking out, the fugitive fled to St. Petersburg, Florida, where he began fighting professionally as Medina.

Garcia made no attempt to keep a low profile. He appeared on talk shows and amassed a 12-0-1 record in featured fights throughout Florida, one of which was aired on the USA cable network.

Garcia might have fought happily ever after, if not for an anonymous tipster who phoned police after recognizing the fugitive in pre-fight promos on ABC.

SYBIL & ROXANNE

RUB UP

“THIS FUCKIN’ RUBBER don’t grow on trees,” moans 19-year-old Sybil from Detroit, Michigan, snappin’ the thin, elastic sheath against her bush. “This is pure petroleum product, the most unnatural stuff in the world. It smells like a fuckin’ freeway!” And tastes like pussy? “Wearin’ rubber’s like wearin’ a dildo,” admits 21-year-old Roxanne. “Soon as we’ve got it on, we want to get it in.”

MONDO BOX (continued from page 40)

A cut under Collins's right eye seeped puss for months. Tears in the iris impaired his vision and made it impossible for him to fight again.

To add insult to injury, authorities allowed Garcia to take a vicious pounding from Taylor—he absorbed more than 400 punches—before slapping on the cuffs.

KNUCKLE SANDWICH

The title of World's Dirtiest Fighter goes to junior-middleweight journeyman Luis "Brass Knuckles" Resto. In a June 1983 bout at Madison Square Garden, Resto, 28, ended the promising career of top-ranked Irish Billy Collins by beating the Tennessee native to a pulp with unpadded gloves.

For 21-year-old Collins (14-0 with ten knockouts), the ten-round bout was supposed to be a tune-up for a fight with junior-middleweight champ Roberto Duran. Resto was a light puncher whom Collins expected to knock out. He'd been specially chosen for that purpose. Resto's corner men, Carlos "Panama" Lewis and Pedro Alvarado, allegedly had other ideas.

Prior to the fight, half of the horsehair padding in each of Resto's eight-ounce gloves was removed through holes cut in the inner lining. The tampering could not have gone unnoticed by the Resto entourage.

It didn't take long for Bill Collins Sr., the

victim's trainer, manager and father, to catch on. Between rounds, Bill Jr. complained that his opponent had "rocks in his gloves." Immediately after the fight, the senior Collins grabbed Resto's glove as if to shake hands.

"All I felt were knuckles and fingers," he said. "There was no padding at all."

A cut under Collins's right eye seeped puss for months. The eye itself suffered tears in the iris that impaired Collins's vision and made it impossible for him to fight again.

"If you think padding doesn't mean nothing...." Billy's dad explained. "I'm 47 years old, but I'll fight Marvin Hagler if you let me fight with just my hands taped—and I'll knock his brains out."

The New York State Athletic Commission kicked Lewis and Alvarado out of boxing and suspended Resto's license for a minimum of one year. Criminal charges were never filed.

"[The gloves] felt normal to me," Resto told reporters.

Jack Prenderville, chairman of the NYSAC, believes otherwise. "As an experienced fighter, he should have noted the marked alteration during the bout and reported it."

For Billy Collins, who left behind an 18-

year-old wife and infant daughter, life would end nine months later. Unemployable and in a deepening depression, on March 6, 1984, Collins drove his 1972 Cutlass into a Tennessee hackberry tree.

"They told me he died instantly," says Bill Sr. "Truth is, he was killed in New York City."

THE BIGGER THEY COME...

Tom Payne believed he was on his way to becoming the tallest world-heavyweight champion in history. He had the size (7-2), the weight (280 pounds) and a rippled body the density of granite. He only needed to fight.

The day of his pro debut at L.A.'s Olympic Auditorium, Payne said: "I've been dealing with negatives all my life. I'm thinking positive."

Among the negatives were 11 years in prison for raping women in Kentucky and Georgia while a rookie with the NBA's Atlanta Hawks—assaults Payne maintains he did not commit.

But that was 1972. In 1984 Payne was beginning his boxing career at the advanced age of 34.

"He gets mean in the ring," Payne's trainer, Phil Garcia, boasted. "There's a lot of people he wants to hit. He's got some getting even to do."

During gym workouts, other boxers would stop to stare. Few had ever seen a fighter who had to crouch down to punch the speed bag.

"One day I hit him on the chin," recalled gym mate Purcell Davis. "I thought, *What am I doing? He could kill me!*"

In his first pro fight, Payne scored a fourth-round knockout of 6-2 Victor Soriana. Two months later, the tables turned.

"Payne could still win recognition as the world's longest heavyweight," wrote Richard Hoffer of the *L.A. Times*, noting that Payne had been knocked to the canvas nine seconds into his second bout. "Stretched out, with his upper body extended through the ropes and well into the ringside seating, he was quite a sight. Laid out flat, he was impressive. Standing upright, he was not."

The fight would be stopped two minutes later when 27-year-old Ricky Reese tagged Payne with a hard left.

Wrote Hoffer: "It is always amazing to see how fast a big man can fall."

THE CHAMPS OF CHUMP

Which fight fans have been the worst in boxing history?

The wild denizens of the old Madison Square Garden would be a good guess. In 1965 a riot erupted when crowd favorite Frankie Narvaez lost a disputed decision to Filipino lightweight Gabriel Elorde. The crowd of 7,000 vented their rage for over an hour.

Whiskey bottles rained from the balcony, as did fire extinguishers, public telephones and entire rows of wooden chairs. The house organ was loosed from its moorings and pitched over a five-foot wall.

No one was killed. As Deputy State Athletic Commissioner Phil Rosenberg fled ring-

side, he was hit on the shoulder by a flying fire ax. Out on Eighth Avenue, rioters pelted arriving firemen with bricks from a demolished building.

The only real victim of the riot was the Garden itself. The raucous fans who filled L.A.'s Olympic Auditorium on September 19, 1980, showed less discretion.

The main event that evening pitted British champ Johnny Owen (26-1-1) against world title holder Lupe Pintor (41-7-1) in a 15-round battle for the WBC bantamweight crown.

Owen, 24, was a quiet, unassuming Welshman who'd been nicknamed the Merthyr Matchstick. "For a man about to fight for the bantamweight championship," wrote *L.A. Times* sports columnist Richard Hoffer, "Johnny Owen was easily the skinniest human being I had ever seen."

Owen called everyone Sir—even the referee—and told reporters he would use his fight earnings to open a hardware store back home.

WBC champion Lupe Pintor, on the other hand, was a seasoned, hard-punching fighter from Mexico who'd knocked out 34 opponents and intended to make Owen number 35.

The crowd was hungry for a knockout. The Olympic, a typically Hispanic, downtown L.A. venue, was packed with blood-thirsty, Pintor supporters. Owen's cheering section consisted of 12 British boxing writers and 20 Welsh tourists.

It was a savage contest. By the fourth round, both boxers were bleeding heavily—Pintor from cuts over both eyelids and Owen from the nose. In the ninth, Pintor landed a roundhouse right that sent Owen briefly to the canvas. At 2:25 of the 12th, Pintor connected with a powerful right uppercut. Owen would never recover. It was the first and last time the Merthyr Matchstick would be knocked out.

The crowd cheered Pintor's victory. Five minutes later, comatose Owen was carried out on a stretcher and driven to a hospital. He underwent four hours of surgery to remove a blood clot from his brain. He died 45 days later without regaining consciousness.

Unlike Pintor, who showed concern for his stricken opponent, ringside spectators acted like animals. Owen's seconds, Ken Bryant and Nat Nichols, had their pockets picked as they struggled to carry their fallen comrade to his dressing room. Referee Marty Denkin and

British fight promoter Mickey Duff, who sought to clear a path for the stretcher, lost their wallets.

British journalist Tom Lyons recalls: "They threw beer cups filled with urine at us. Johnny was hit with several as he was being carried out."

It was the final salute to a world-class fighter by an arena of world-class assholes.

TALE OF THE TAPE: 36-24-36

At last count, there were only 243 professional female boxers in the United States. Women make lousy boxers. Put two females in the ring together, and they're lucky to bloody each other's nose.

When 128-pound Cora Webber, one of the top female boxers in the country at 8-0-1, was having trouble getting opponents, her promoter suggested she move up in weight. A fanatical California beach-goer, Cora said no dice: Summer was coming!

Cora's twin sister, Dora, became lightweight champion of the International Women's Boxing Association by winning a three-round decision. The win boosted Dora's record to 2-0.

"I enjoy sparring," summed up 26-year-old waitress/actress Lisbeth Giles, interviewed while working out with 12 other women at Gleason's Gym in New York City, "but if I ever got hit in the face, I'd kill myself!"

FLOAT LIKE A BUTTERFLY, STING LIKE AUNT BEA

Who was the bravest, meanest, scrappiest female boxer in history? At 64 she won the men's British light-heavyweight crown without having trained a day in her life. Her name is Minna Wilson. In boxing circles she's known as Shoeless Min.

Minna wasn't even on the fight card that night in September 1989 when she took on title holder Steve McCarthy in Southampton, England. Her son, former British Olympian Tony Wilson, was scheduled to battle the champ. After watching her offspring get his nuts served to him for two rounds, Min sprang into action.

As the bell sounded for Round 3, Minna charged the ring with the ferocity of a full-back, bowling over every spectator and security guard who stood in her way. She leaped through the ropes and thrashed McCarthy with her high-heeled pump.

Before the referee could step between them, Min had opened a cut on the champ's head which required four stitches.

With McCarthy refusing to return to the ring, Minna's son was awarded the decision. The British Boxing Board of Control subsequently ordered a rematch.

"I'm really sorry," Minna later said. She had only acted after the crowd hurled racial insults at her son, who is black. "The chants and shouts finally got to me."

"She only did what any mum would do un-

SWING

THAD'S SIN SHACK

Doin' That Sleazy Swing Thing

In the wilds of San Diego sits Thad's, a homey playhouse for jizz-driven couples, single horndogs and squads of scuz-seeking servicemen. Who's game?

THAD'S

"The joint looked like a Denny's. Except to eat the shit at Denny's, you don't have to drop your drawers—to eat the chicks at Thad's, you do."

Where Interstate 5 slices through San Diego's industrial center lies Thad's. Opened in 1974 as an after-hours refuge for nudists from nearby Black's Beach, Thad's quickly became a hotbed of free sex. Swingers swarmed the new club and, because of its open-door policy toward the town's multitude of servicemen, so did sailors and Marines in search of snatch.

Heading south on I-5 my guts jumped and churned, and my cock twisted in my jeans. I'd been to whorehouses and pick-up joints before, but never anywhere like Thad's. I tried to picture a beautiful club filled with gorgeous, willing women, but hordes of naked sailors with giant, oozing cocks kept crowding my thoughts.

I got off the freeway and took a few turns down dirty streets lined with sweatshops and decrepit warehouses. At the end of one street was a house. It looked like the giant rec room of a cheesy trailer park. A tall fence surrounded the white-rock yard. It was strewn with Doberman shit and broken lawn-mower parts.

A tall man in his mid-50s greeted me. He wore steel-rimmed glasses, a gold pendant and Bermuda shorts. Looking closer in the dim porch light, I realized that his dick hung

slack through a small hole cut near his fly.

"Hey there! Bet ya got a virgin asshole, don't ya?"

My first impression of Thad, an aging exhibitionist with a thing for busting overweight, tattooed, hetero-male butt cherries, was less than favorable.

Swing clubs: anachronisms of sexual freedom that operate at the fringe of society. To some they are hellish greasepits teeming with perverts and whores. In reality, swingers clubs and parties are playgrounds for bored married couples, adventurous singles, exhibitionists and voyeurs. The movement hit its stride during the pre-herpes glory days of disco. Even now, swingers cling to a heritage of *I Dream of Jeannie* decor, gold chains, polyester and bad martinis.

Seventeen years ago, Elbert "Thad" Poppell, the self-proclaimed King of Swing, quit his job as a butcher to open his first club. He's still dealing meat, but today he sells sex—or at least opportunity. Sailors, swingers and voyeurs the world over know of him and his sin shack.

The joint looked like a Denny's. Except to eat the shit at Denny's, you don't have to drop

your drawers—to eat the chicks at Thad's (scarier than Denny's chicken-fried steak), you do. Once I got past Thad and his dangler, I walked into a small reception room. It had a desk and a safe. A pleasant woman named Sandy took my ID, clothes, money and dignity.

Thad buzzed me through a locked screen door into what looked like an enclosed patio. I hurried over to the bar, thinking it would be a good place to hang out. My heart was fucking racing, and I was naked and freezing too. I was totally green, and it showed.

There were 20 or so booths with tables and chairs. In the middle of the room was a pool table and a circular couch. A big TV running pornos took up the far end. Past the pool table was a dance floor, about six by eight feet and raised three inches. Twinkling Christmas lights blinked pathetically along the floor. A chair hung from the ceiling like a swing—except it had stirrups.

Sailors and aging couples hung around playing pool, chatting as if they were at a local bar, except all the men were completely naked, and the women wore cheesy lingerie or their sagging birthday suits. No one was plowing, or even hard. I started to wonder if this was some fucking clip joint.

Thad spends several days a week cruising the military bases in San Diego, passing out flyers for his establishment. Although technically a private club, with a \$150 membership fee for single men or couples, Thad patriotically waives the initiation dues for military personnel. "As long as they have active military ID, they get in for \$40."

Thad's flyers read: "Thad's is famous for expert plain and fancy f..., where maidens are treated gently, spinsters are satisfied, and extra attention is given to neglected married women. Featuring: exhibitionism, cluster f..., missionary style, doggy-style (with barking and yelping), sardine parties with oil, muff-diving, light B&D, cross-dressing, 69, etc."

Presumably, "f..." means fucking, but Thad promises no action. You must score on your own, and that's why Thad's isn't a whorehouse. "I tell the guys to bring their own drink and condoms if they want to have a party. But it's seldom that a nice person who comes in doesn't have a good time."

Two surfers had been bragging to one woman about what studs they were. She eyed their limp cocks while she sucked hard on a cigarette. She wasn't bad-looking, just haggard. She jumped up in the chair with the stirrups and pushed the bottoms of her green and yellow bikini to one side, exposing her fleshy gash. I left my stool for a closer look.

People gathered around the swinging chick. The surfer with the loudest mouth was totally soft. His partner pushed him out of the way and shoved his cock inside her spread snatch. He was good for about 20 strokes before he came. She grunted and wiggled, mak-

A woman with long, wavy blonde hair is the central figure. She wears a wide-brimmed straw hat adorned with large, light-colored flowers and dark leaves. Her attire consists of a white, off-the-shoulder lace bra with a delicate floral pattern and a matching white lace skirt. She is posed in a room with walls covered in a dense floral pattern of pink and purple blossoms. The lighting is soft and warm, highlighting her features and the textures of her clothing.

If 20-year-old Holly from Aspen, Colorado, gets her smooth skin any softer, she'll drain the scalding spunk out of every ski instructor in town. "I'm no slut," she says, dressing up for her second date of the morning—two-thirds of the way to a full-body application. "Sperm makes the best skin lotion. How else am I gonna get it?"

THAD'S

ing faces like she was in a porn flick. No way she could have come in such a short time. It was a scene repeated many times throughout the night: horny fucks pumping a come-faking cunt without rubbers or concern for AIDS.

A guy who must have left his pocket protector in his locker was trying to get a trailer-park matron to suck him off. She ignored him in favor of a black sailor with a giant boner. He jabbed it in her mouth, fucking the shit out of her head.

The place was coming to life. I looked down to see if my dick was too, but my balls were drawn tight against my body, and the head of my dick was flush with my belly. If my cock were any more withdrawn, it would have been aninnie. I noticed that the same sailors who'd been scared of getting hard in front of their buddies five minutes before were now whacking their cocks.

The black sailor blew his scuz all over the chick's face. She seemed quite pleased. Other guys pulled her tits and fingered her snatch. The guy's ebony bone stayed as hard as ever. He swung around behind the woman, bent her over and gave her a hard fucking. Within two minutes, he shot his second wad. I looked

toward his table to see what he was drinking.

A line of guys was waiting, hards in hand, to grind the chair ginch. I still couldn't coax my dick to length.

Thad thinks that most of the guys are just shy, but notes, "After they see the openness of the people, they get a hard-on. Next thing you know, their partner's on the floor giving him a blowjob. You see it when they're playing pool. The girl will start sucking a guy's dick to make him miss. We don't call it dirty pool—we call it nasty pool."

It's hard enough for most men to piss when someone is standing in the next stall. Pumping up while standing nude in a huge, cold room with 50 naked sailors can be even more intimidating. Plus, some of the swinging husbands are voyeurs. They've come just to watch a young stud and stroke their wizened cranks.

Even though the place was spotless, something about all those weirdos standing in line to blast sleaze made me feel unclean. After cruising the place for a while, watching people grunt and slurp, I sat down on a chair that was a little too warm. It wasn't wet, but I figured a shower was in order: I couldn't find any soap, and the doors didn't lock; so I blew off that

idea. It was colder than shit outside, but the spa was boiling and smelled like bleach. I figured scalding water and bleach would kill anything that stuck to the hairs on my ass.

Next to the Jacuzzi was a huge, metal bunker thing. Thad had rigged it up with two big beds, a large-screen TV and some benches. This must be the sex tunnel that the others were talking about. Due to dick-shriveling temperatures, the tunnel was empty. Walking back to the spa, I took off my watch and jumped in. As my skin blanched in the soup, I wondered why Christmas lights, which twinkled around the deck, were always part of white-trash decor.

I'd better get busy and find a bitch to drill.

Of the six or seven women present that night, only one was really a worthwhile candidate for a fuck. She had come with the surfers, was young and firm, and not too ugly. We ended up in a side room. Without much ado, she grabbed my shriveled prick, gave it a few squeezes and brought it to life. It stretched up, pink and willing. Leaning back, I put my hand behind her head and guided her mouth to my cock. Her straight, mousy hair jumped around my pole. Trying to parlay a blower into a fuck, I pulled it out and asked her if she'd like to go upstairs. Thad has a number of partitioned crawl spaces upstairs where couples can bone in private.

She wanted to get out of Thad's, get a room somewhere or go to her place. I couldn't stomach the idea of shelling out even more money for a fuck; so I blew her off. Later, she tried to get other guys to leave with her. Thad sussed her out as a whore and told her to hit the road—alone.

"I've had it happen—prostitutes in my place looking for johns—and the police have even used prostitutes as their partners to get in. To get upstairs where the action is, you'd have to have a participating partner. If the cop didn't bring a female with him who would fondle him and jack him off a little, they never got up to the second floor."

Police harassment is nothing new to Thad. "In the 17 years that I've been in San Diego, I've had the party in 15 different places. After about a year, the police suggest to the media that something illegal is going on. The media play up a bad image for me: wild sex orgies and filth and dirt, but that's not the case. It's always been a beautiful, clean place."

Clean, and anonymous, enough for cops to enjoy. "I don't care if people are police or not. I've had a lot of police come and be willing participants in the party. Would you believe it? They like sex as much as the rest of us!"

The vice division of the San Diego police department does not like to answer questions about Thad's. It is legal to operate a private club, as long as one has the proper permits and licenses. It's even legal to host a club where the partiers are "nekkid," as Thad

HUSTLER HUMOR

A guy was taking a leak in the men's room when another fellow entered with his arms held out from his sides, bent at an awkward angle, and came over to him. "Would you do me a favor and unzip my pants?" he asked.

Figuring the fellow to be crippled, the guy obliged, but not without some embarrassment. Then the fellow asked that the guy take out his pecker and hold it while he drained his kidney.

"Give it a shake," came the next request, "then zip it up for me." The guy obliged.

"Say, thanks," said the queer, flouncing to the door, "I guess my nails are dry now."

Fred went to his longtime physician, complaining of memory problems. "I just hope it's not Alzheimer's," confessed Fred. "See, I'm getting terribly forgetful. I lose track of where I'm going or what I'm supposed to do when I get there. What do you think I should do?"

"Well, the first thing you need to do," replied his doctor, "is pay me in advance...."

Question: If it only takes one sperm to fertilize an egg, why does a man come so much?

Answer: So he can leave a bad taste in a woman's mouth.

The old man woke up one night, and to his utter amazement he found his pecker hard as a rock for the first time in many years. He shook his wife's shoulder until she woke up, then showed her his enormous boner. "You see that thing, woman?" he said proudly. "What do you think we ought to do with it?"

With one eye open, his wife replied, "Well, now that you got all the wrinkles out of it, this might be a good time to wash it."

A Frenchman and a Polack were in the woods hunting when suddenly a voluptuous, blond girl raced across their path, totally nude.

"Boy, would I love to eat that!" the Frenchman exclaimed.

So the Polack shot her.

One night the Pope was saying his bedtime prayers when God Himself came down from heaven to listen to them. Afterward, God sat down on the Pope's bed and said: "Listen, you've been such a good Pope and devoted follower that I'm going to eliminate anything in the world that displeases you."

The Pope was overcome with emotion. For a brief moment he couldn't think of anything to say, but then he confessed to one thing that was really getting to him. "As you know, God," he said, "I'm very attached to my country of origin. The one thing that really irritates me is all those Polish jokes."

"No problem," God replied. "From this moment on, there shall be no more Polish jokes. Is there anything else you'd like me to do away with before I return to heaven?"

The Pope thought and thought and finally said, "Chocolate-covered peanuts!"

"Well, I always thought they were harmless," replied God, "but if it really means that much to you, I'll get rid of them."

"Well, you see," said the Pope, "I'm not getting any younger, and it's getting harder and harder to peel 'em."

Question: What's the smelliest thing in the world?

Answer: An anchovy's pussy.

Three winos huddled under a bridge and broke open a couple of jugs. After drinking for several hours, they passed out. In the morning, two woke up to find that the third had died during the night.

At the funeral home, the two surviving friends stood by the coffin of their departed buddy. "Boy, ol' George sure looks bad, don't he?" the first remarked.

"Well, damn, he should," the second replied. "He ain't had a fuckin' drink in three days!"

"Mr. Spencer," the banker said to the oil man, "we lent you \$1 million to revive your old wells, and they went dry."

"Coulda been worse," the oil man replied.

"Then we lent you a million more to drill new wells," the banker continued, "and they were dry."

"Coulda been worse."

"And then we lent you another million for new drilling equipment, and it all broke down."

"Coulda been worse."

"I'm getting a little tired of hearing that, Mr. Spencer," the banker snapped. "Tell me, just how could it have been worse?"

"Coulda been my money."

TRAPPED AND TORTURED WOMEN

SLAVE SEX

Colleen Stan's sexual enslavement would last seven years, most of it spent locked in a double-walled box the size of a freezer chest.

On May 19, 1977, while hitchhiking alone through the farm town of Red Bluff, California, 20-year-old Colleen Stan accepted a ride from a young, local couple named Cameron and Janice Hooker. Seeing their infant daughter perched in her mother's lap, Stan believed the pair to be harmless. But within hours, the girl from Eugene, Oregon, would find herself naked, gagged and blindfolded, suspended by her wrists from a ceiling beam in the couple's basement.

Colleen Stan's sexual enslavement would last seven years, most of it spent locked in a double-walled box the size of a freezer chest. She would endure countless beatings, whippings and rapes. Her flesh would be seared by electric probes, and her back nearly broken on a medieval-like stretching rack. Yet so strong was the psychological hold of her captors that not once did she try to escape.

Cameron Hooker, a 22-year-old mill worker, had been raised in a caring, blue-collar family, but during adolescence he'd developed an obsessive fascination for bondage, discipline and sexual domination.

Hooker began acting out his fantasies when, at 19, he met his 15-year-old wife-to-

be, Janice. He persuaded Janice to let him hang her naked from a tree by the wrists. Soon he was whipping her or staking her out on the ground and raping her. He tied her up and submerged her in creeks, allowing her to almost drown.

Janice knew these acts of bondage excited Cameron, and she desperately craved the loving tenderness he showed afterward. But as Cameron's demands grew more painful, her willingness to submit waned. So Janice struck a deal with her husband: If he would let her have a baby, she would let him have the live-in sex slave he'd always wanted.

Most men who keep sex slaves have a history of sexual abuse against women. Take 46-year-old Andro Garcia of San Bernardino, California. In 1986, Garcia was convicted of kidnapping two sisters—ages nine and ten—from a neighborhood carnival in Tijuana, and holding them as sex slaves for six years. His partner in crime was his 34-year-old half sister, Marge, whom he'd been sexually molesting since she was a young teenager.

Garcia was a chronic pedophile. At the time of his arrest in 1985, he was wanted for

questioning in one child-sex kidnapping case, had jumped bail in connection with another and faced felony prosecution for the 1975 abduction, rape and torture of the two siblings.

According to testimony, victims Olga and Norma Aguilar were lured from the carnival by Marge, who was living as Garcia's wife. Once in San Bernardino, the girls were illegally adopted by the Garcias, who subjected them to endless physical and sexual abuse, forcing them into prostitution. The sisters were in their mid-teens before they were able to escape.

For her part in the abduction, Marge Garcia was sentenced to serve 20 years in prison. Andro Garcia was given 90 years.

Then there's 30-year-old Juan Miguel Duran, a suspected sex offender believed to have committed a series of crimes, including rape, against elderly women in the Chinatown section of Los Angeles.

When Duran was taken into custody in March of 1991, the suspect led officers to a makeshift shack on a steep hillside behind his home near Dodger Stadium. Inside the padlocked structure sat a 35-year-old Hispanic woman who claimed she had been held prisoner by Duran for nine months, enduring his repeated sexual assaults.

According to L.A. Police Lieutenant Ken Espiau, investigators were surprised that the woman, who was left unbound, had not tried to escape.

Colleen Stan hadn't attempted to run either, leading defense attorney Rolland Papendick to contend that the woman had remained with the Hookers of her own accord.

Testimony showed that after 1979, Colleen had often been left unchained and unsupervised. She'd jogged, held down a job and babysat the Hookers' two daughters. She'd had frequent contact with neighbors and had gone drinking at local bars. Not once had she told anyone that she was in trouble.

Tehama County prosecutor Christine McGuire argued that Colleen had been coerced into sexual servitude out of fear for her life and that from the moment of her kidnapping she believed her only choice was to put up and shut up.

According to McGuire, whose book *Perfect Victim* (Arbor House, 1988) is a chilling account of Colleen's years of enslavement, Stan's abduction was devastatingly traumatic. After being bound, gagged and blindfolded at knife point in the backseat of Hooker's car, Colleen found herself imprisoned in a terrifying contraption her captor called a *head box*.

The box was a wooden, helmetlike, sensory-deprivation cube that was lined with carpet and had heavily insulated, double walls. Cut into the bottom was a hole just large enough to accommodate a woman's neck. It shut out all light, muffled all sound and severely impaired breathing.

"Henri, you're a fuckin' genius!"

"I warned ya, buddy—double occupancy is another ten bucks!"

SLAVE SEX

Cameron taped bare wires to her breasts and thighs, then seared her flesh with electric current. He choked her until she blacked out.

Sadomasochistic acts of terror commenced two hours later in the Hookers' basement. Before being placed in a locked, wooden crate for the night, Colleen—still gagged and blindfolded—was stripped and suspended by her wrists from a ceiling beam. She was soundly whipped. Although Cameron stopped short of rape, Colleen watched in horror through a slit in her blindfold as her captor had sex with his wife on the concrete floor.

For the first nine months, Colleen was subjected to continuous isolation and torturous restraints. She was kept naked, gagged and blindfolded. She spent up to 23 hours a day locked in a coffinlike box. She was allowed only one meal per day. If she couldn't wait for her nightly bedpan, she was forced to lie in her own urine. If she did anything to displease her captor, she was whipped unconscious.

Cameron was employing a classic mind-control technique—attachment conditioning. It coerces a captive into cooperating by making her terrified of her captor while simultaneously making her dependent upon him for every element of her existence.

The resulting emotional schism, says

UCLA psychologist Rex Beaber, "often causes a sympathetic relationship to develop between captive and captor, which makes it difficult for a person to escape."

Three months after her capture, Hooker turned Colleen's first bath into a nightmare of abuse. After placing his blindfolded slave in the tub, Cameron taped her arms behind her back and tied her legs to a broomstick that was laid across the rim. He held her head underwater until she ran out of breath. When there were no more bubbles, he pulled her up by the scalp, let her gasp for air, then dunked her again.

Over time, Cameron subjected Colleen to an assortment of life-threatening tortures. He hung her by the wrists in the high rafters of a barn. He taped bare wires to her breasts and inner thighs, then seared her flesh with electric current. He choked her with his hands until she blacked out.

Cameron strapped his slave to a stretching rack and drew her body and diaphragm so taut that she had to pant in order to breathe. He choked Colleen several times, then forced her to give him head while she was still gasping for air.

"Can you tell I'm not wearing panties?"

Inflicting pain excited Hooker sexually. Although he had promised his wife that he would never have sex with Colleen, he sometimes sodomized his slave as part of her torture. One night he even raped her with the butt end of his whip.

When asked why she never resisted Cameron's sexual assaults, Colleen testified that she "was afraid he would beat me or even kill me."

According to Dr. Christopher Hatcher, a clinical psychologist from San Francisco who testified at Cameron Hooker's 1985 trial, rapes and beatings have a cumulative effect on the captive. "The whippings and the sexual abuse illustrate how exposed and vulnerable the victim really is," he explains.

When not being fed, raped or tortured, Colleen was kept locked in a custom-made box. For the first year, she spent her nights making dolls in a "workshop" the size of a small broom closet. During the day she slept chained inside a 3x3x6 casket—in which she remained imprisoned almost continuously from March of 1981 to May of 1984.

So absolute was Colleen's isolation that during four out of the seven years, Hooker's daughters were unaware that she was even living in the house.

Nickie Moeller, 18, of Anchorage, Alaska, endured a similarly brutal captivity.

In May of 1983, while traveling alone through Southern California, Moeller was abducted by Theodore and Mildred Glaum, middle-aged drifters who imprisoned the teenager in the rear of their motor home and sold her as a prostitute for nine months. The Glaums crisscrossed the state, offering the girl's sexual services to countless johns in parking lots, rest stops and campgrounds. To ensure her cooperation, the couple threatened to hunt down and kill the three-year-old daughter Nickie had left behind in Anchorage.

When not being rented out, Moeller was being tortured and raped by Theodore Glaum. He clipped clothespins to her nipples and subjected her to prolonged electric shocks from the motor home's battery. He tied her down on her stomach and forced her to have anal sex. If he became angry with her for failing to attract customers, he would beat her and kick her.

Moeller realized that the couple planned to kill her. She had been starved into a near-skeletal state and was generating almost no income. After nine months of captivity, the 5-7 blonde had dropped from 165 pounds to a mere 80.

"She said that in the last two weeks she had been given only three pieces of bread, a spoon of gravy and a glass of water," detective Ken Aguayo told reporters after Moeller's March 1984 rescue by Irwindale, California, police. Officers had spotted the emaciated girl cowering in the rear of the

When police entered Heidnik's basement, they found two half-naked women chained to a sewer pipe. A third was found in a nearby pit.

Glaums' vehicle during a routine check of an adult-book store parking lot.

Although suspected of sexually victimizing several other women, Theodore Glaum was sentenced to only 14 years in prison. Mildred Glaum received nine years.

Death threats, whether made against the victim or against members of the victim's family, are diabolically effective in breaking a captive's will. Dr. Hatcher says such threats "are sufficient to coerce the majority of individuals into a desired behavior pattern and to convince them to give up all overt resistance."

According to the prosecution, through such threats Cameron Hooker gained control of his victim nine months after her abduction. Hooker convinced Colleen that he was a member of an underground brotherhood of slave owners known as the Company. He told her that should she breathe a word of her captivity to anyone or try to escape, she and her family would be brutally murdered.

Colleen believed her fate was sealed. She was told that Janice was a slave and that Cameron's father and brother held captives of their own. She was told that the house and

the phone were bugged and that the Company had spies everywhere, even in the local sheriff's department.

Colleen was given the slave name "K" and was told that if she misbehaved, she would be sold to a master who treated his slaves even worse than Cameron did.

Hooker could be heinously cruel. In 1979 he wanted to hang Colleen by her wrists even though the woman had spent almost four straight months prone in her box. When he kicked the bucket out from under her, she flailed her legs in search of something to rest her weight on.

Cameron ordered Colleen to "just hang there and behave." He tried to whip her into submission, but she continued to struggle. The more she struggled, the angrier he became. He decided to teach her a lesson, burning the flesh around her nipples with kitchen matches.

Colleen lived in such fear of Hooker and the Company that in 1981 she spent 24 hours alone with her parents in Riverside, California, and never mentioned one word to them about her enslavement.

Before allowing the trip, Cameron had reaffirmed his control over Colleen by giving

her an obedience test. He'd placed the barrel of his shotgun in her mouth and ordered her to pull the trigger—which she'd done without hesitation.

As Dr. Hatcher notes, sex-related abductions often result in the victim's death. "At the extreme end of the spectrum," he says, "are individuals for whom the sadomasochistic drive is so strong that they will imprison a person and kill them in the process of completing their erotic fantasies."

One such individual was Gary Heidnik, 43, who in 1988 was convicted of kidnapping, rape, torture and murder after imprisoning six women in the basement of his North Philadelphia home.

Police raided the house in March of 1987 after dehydrated, half-starved Josephine Rivera, 26, escaped. Rivera told authorities that she had been held prisoner for four months, raped, tortured and fed nothing but dog food.

When police entered Heidnik's dungeon-like basement, they found two half-naked women, Agnes Adams, 24, and Lisa Thomas, 19, chained to a sewer pipe. A third, 18-year-old Jaqueline Askins, was discovered in a nearby pit, covered with plywood and sandbags.

Heidnik, who's white, preyed primarily on mentally handicapped black women. He lured them to his house with fancy cars and a devastating charm, then subjected them to cruel rapes and continual beatings.

Several months before his arrest, Heidnik punished captive Deborah Dudley, 23, by placing the retarded woman in his basement pit, filling it with water and electrocuting her. Dudley's body was buried in a shallow grave in a New Jersey state forest.

Heidnik's second murder victim, 24-year-old Sandra Lindsay, was hung by the wrists from a ceiling beam until she was dead. Heidnik cut up her body in front of the others using an electric saw.

The survivors claimed that Heidnik told them he was mixing Lindsay's remains into the dog food they were being fed. When searching the house, investigators discovered 24 pounds of frozen limbs—believed to be Lindsay's—stashed in the freezer. Body parts were also found in the oven and in a stewpot on the stove.

Defense attorney Charles Peruto Jr. entered not guilty pleas, claiming his client was "completely and totally insane." The jury felt differently. In July of 1988 Heidnik was sentenced to die in the electric chair.

According to immigration experts, illegal aliens are as vulnerable to sexual exploitation as Heidnik's retarded slaves. They point to the September 1989 arrest in Los Angeles of 38-year-old Paul Garcia, who allegedly kid-

THAD'S (continued from page 72)

"I felt like I was fucking a big bowl of warm custard. I managed to hold out for some time. I even reached around and diddled her clit."

says. However, vice officers refer questions to the DA's office when asked if Thad's guests can fuck. It's a gray area, but they're doing it.

Back in the main room, the swing queen had hopped out of the stirrup chair and was mingling. The surf slut had brought me three-quarters of the way to blast-off. I lost all common sense and sidled up to the walking cum-depository. I grabbed her clammy hand and led her upstairs. The ceiling couldn't have been more than three feet high, and the tiny rooms were decorated like an opium den on the *Batman* TV show. With a bit of wriggling, my pudgy mate and I wedged into the niche. Sensing that I had no intention of kissing her, she spared me her mucus and went straight for my rod. She positioned my cock at the door of her gash and pushed. It felt like I was fucking a big bowl of warm custard. I managed to hold out for some time. I even reached around and diddled her clit for a while, something the sailor boys downstairs had overlooked.

Her fat, soft tits mashed against my fat, soft stomach as we ground our uglies in unison. My balls were tightening, signaling release. I realized I'd left my rubber in the

room where I'd gotten blown. I jumped off the slut and jerked off on her tits and face. She looked up at me, I think a little confused. "I watch a lot of pornos," I told her. "You know, those guys always pull out. It looks cool."

As we walked back downstairs, I asked her how many guys she fucks a night. "Oh, 25 on up to 75, or so." I thought of all the frustrated girls in the suburbs who could drive to Thad's, fuck more guys in one night than most chicks fuck in a lifetime, go home, and nobody'd be the wiser.

Thad hasn't knuckled under to the couples-only trend most swing clubs follow. "The women like a lot of singles. They say they have a real good time. For the quality of singles they want, they say they can only find that here. It's a good-looking, healthy crowd."

Thad isn't concerned with the ratio of men to women. It's often ten-to-one. Gang-bangs, clusterfucks and double penetrations seem to be the norm. "The couples come here because they need a lot of sex. The husbands complain that their wives are bitches during the week unless they bring them here on weekends. Some of the people that quit coming to the parties get separated or divorced."

I'd left my watch near the Jacuzzi. It wasn't there. Thad hadn't seen it. Feeling cunt excrement congealing on my schlong, I asked him about his attendees' venereal-disease records. He said that the sailors are checked every other week, and he hadn't heard of anyone infected from his parties in five years. The club's doctor gives free cock and cunt check-ups in her office to Thad's guests.

Thad tried hard to be funny and sexy. He played with his dick while he spoke. He told me that when he was a boy, he used to slam his cock in the toilet seat so his mommy would kiss it.

I got in my car and drove to the nearest dive motel. I lay awake for a while thinking that \$40 was a lot of dough to shell out for an experience that would make most people vomit. But I got blown and laid, and it's cheaper than dates or whores.

On an average night, Thad draws around 75 people. If 50 are military and pay \$40 a head, and the rest are members ponying up \$35 a couple, he pulls in \$5000 a weekend—not counting membership fees.

"I pay out a lot in attorney's fees, but I make enough to keep me open. I don't live too flamboyant. If it was like any other business, and I wasn't harassed, then I could make a lot of money," says Thad. "But money isn't driving me."

The next morning, Saturday, I went back to see if my watch turned up. Thad was very pleasant, as were the two sluts who were helping him clean up.

I was actually feeling horny and flirted with the two grinning honeys. Thad excused himself to go to the store. He said I could stay, but if I wanted to fuck his pals, I'd have to come back that night. As his car rumbled down the street, I asked the bitches if they wanted some sex. They didn't want to piss Thad off, but I persisted. Finally, they agreed to pull off their panties and put on a cunt-buff show. Sitting back in their chairs, they rubbed clit like crazed women, moaning and bucking. My cock was in my hand, fingers stroking wildly. I told the girls I was going to come. One put her head down in front of my rod and caught my stew on her tongue and chin. I thanked them for the show and split.

I used to think that nothing was worse than bad sex with an ugly chick, but I'm not too sure anymore.

While you may not be able to tell by looking, Thad's a religious man. "I grew up in a religious family, and I've become a sex lord. I have a strong belief that I'm not doing anything wrong."

Others are not so quick to share his opinion. "A vice cop once told me that I was going to hell. I said, 'I know where I'm going when I die. I'm going to have my ass cremated. They're going to sprinkle my ashes all over a nude beach, and nekkid people's going to sit on my face throughout eternity.'" 

"Hey, honey, this one sounds good—Butt-Fuckers From Planet Jigaboo!"

napped and enslaved two Central American refugees. One of the women, a 27-year-old Guatemalan, was reportedly held captive for 14 months.

Also charged in the crime were Yolanda Garcia, 28, and Margarita Ruvalcaba, 30. Prosecutors claim the pair used promises of employment to lure the victims to the pickup-truck camper they shared with Garcia. They then helped the man capture, torture and rape the women.

Garcia told his captives that he would kill them if they tried to escape. To make sure they understood, he subjected them to painful, electric shocks.

"Every time he would apply the shocks, he would handcuff my hands behind my back and stick a rag in my mouth so I would not scream," the Guatemalan testified during the preliminary hearing. "Then Yolanda would plug the wires into a socket, and he would attach the bare wires to my legs and neck."

"I've never seen anything quite like this," said Deputy D.A. Andrew McMullen, who charged the trio with 113 felony counts of kidnapping, slavery, assault and forcible rape in concert.

If convicted on all counts, each defendant faces two consecutive life terms, plus 1,222 years in prison.

Experts have no way of knowing the extent of the problem. Victims rarely go to authorities for fear of being deported.

"Immigrants are like lambs," notes Leo Chavez, an associate professor of anthropology at the University of California at Irvine. "They are easy targets because they are afraid to report abuses to police."

Colleen Stan didn't go to authorities either. After learning from Janice in August of 1984 that the Company didn't exist, Colleen moved in with her mother in Riverside. Instead of getting on the phone to police, she got on the phone to Cameron. She wrote to him and talked of moving to a town nearby.

After enduring seven years of attachment conditioning, Colleen could no longer differentiate between dependency and love—an emotion she had professed to have for her captor as early as 1980. But perhaps the most intriguing aspect of the case was the degree of Cameron Hooker's emotional dependence upon his slave. Losing Colleen seemed to affect him almost as deeply as losing his wife, who walked out on him the same day.

"Colleen called one night to tell me she missed me," Hooker recalls. "I told her I loved her. I was crying. Saying goodbye was so hard."

Cameron Hooker is presently serving 104 years in Folsom Prison.

MONDO

(continued from page 52)

der the circumstances," insists Jimmy Tibbs, Wilson's manager.

Tony banned his mother from attending all future fights, but by then she already held the title.

THE PRINCE OF PUNCH

In 1985, 28-year-old Prince Mameh Mohammed was a rising light-heavyweight. At 32-1-2, he was ranked second by the WBA and was considered the only exciting challenger in a boring division dominated by Michael Spinks. He was also, according to his press packet, the legitimate heir to an African kingdom—a tribal prince who'd passed up his father's throne for a shot at Spinks's crown.

In the fight game, any story that sounds too good to be true usually is. Yet factual or not, it made great copy. Wherever the prince fought, he was touted by the press as the man who would not be king.

Supposedly, Prince Mameh was the oldest brother in a royal family of 35 children. He'd been groomed from birth to assume the throne of his father, King Issah Mohammed, who, at 76, ruled the 35,000-member Dagumba tribe in Tamale, northeastern Ghana.

But the prince had decided that wielding unlimited power and sharing his nights with four or five wives wasn't really his idea of a

good time. He wanted to be a prizefighter! "Being king, that is not me," Prince Mameh told reporters.

The prince, the story went, had but one love: boxing, which he'd been introduced to at the age of 12 while at school on a local army base. By 22, he'd fought 200 amateur bouts in Ghana and won five military titles, two under an assumed name.

In 1981, after having fought professionally throughout Africa and Europe for two and a half years, he'd headed for the States to make a name for himself.

Despite attempts to disprove the story, even the most skeptical sportswriters had to admit that the only crime Prince Mameh seemed guilty of was embellishment. The prince spoke of a kingdom filled with "tall buildings and freeways." One reporter who tried to telephone King Issah was told by an amused operator that phone lines to Tamale had been down for over a year. He also learned that a tribal king in Ghana has about as much power and prestige as the mayor of Buffalo.

Still, had Prince Mameh stuck it out at home, at least he would have owned a crown. In December of 1985, after Spinks had beaten Larry Holmes to become heavyweight champ, Mameh failed to win the vacated light-heavyweight title by losing a tedious, 12-round decision to third-ranked contender J. B. Williamson. Neither boxer was heard from again.

"A JOURNEY INTO THE BIZARRE"

with PAUL NORMAN... the master of the unusual!

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it!

PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

PN-1 "BI & BEYOND" (hermaphrodite with a woman) - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!
PN-2 "PASSION BY FIRE" - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-3 "THE BIG SWITCH" - Two men and a woman have a bisexual menage-a-trois when they anchor their boat in a deserted cove, strip naked, and discover the hard, wet excitement of cum-drenched cock/pussy/cock fucking & sucking! Biggest selling bi-sex video of all time!

PN-4 "BI & BEYOND 2" (hermaphrodite with a man & woman) - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuckfest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) - Perhaps Paul Norman's most incredible discovery of all - gorgeous young siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manholes) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) - the Black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuckfest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (super-hung Black hermaphrodite with a man) - "Herculina," the incredible black hermaphrodite with a 12" penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" - Imagine what happens when 8 multi-orgasmic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's cameras record the most cum-saturated sexual encounter ever filmed!

A RARE TREAT!

Where pornography has been legal, accepted and available for quite some time, consumers of adult entertainment found themselves getting jaded, bored, and in search of something "new". Tired of the same old productions being offered at exorbitant prices and featuring the same shopworn porno actresses, a small group of adventurous couples got together and started a club so they could purchase or exchange with other members, high-quality videotapes featuring amateurs having explicit sexual relations of all kinds! If you've never seen an "amateur" hardcore video before, you are in for a treat — there is nothing quite like it! There is something so spontaneous, so exciting, and so downright cock-stiffening about seeing real, ordinary people like housewives, stewardesses, sorority girls, secretaries, nurses, and their lovers having oral, anal, group, and kinky sex that you must see it to believe it. When you realize that the young girl from Des Moines who takes two cocks up her ass at once, (tape #SV-31) is actually a receptionist for a law firm, it adds a new dimension to your sexual pleasure... one that is pretty hard to beat! Or when you see the young blonde housewife experiencing triple penetration, (tape #SV-45) and realize that she could be your next door neighbor, it's enough to make your mouth water with sexual excitement! There's no doubt about it, this new concept of hardcore amateur video has caught on. It is now the hottest, most in-demand type of sexual video.

royalties to be paid. The net result is you have access to the hottest new idea in sexual entertainment for little more than the cost of a blank tape!

YOU CAN BECOME PART OF THE SOPHISTICATES!

If you are really interested, and we mean really, you can become a member of The Sophisticates and enjoy all the benefits and privileges of membership. We do however insist on your absolute sincerity, since after all, the other members are revealing their personal identities to you, taking you inside their bedrooms, and allowing you to watch them having intimate sexual contact. It's important that you be sincerely interested in viewing what some people may consider downright kinky or even sexually deviate. This invitation is not for the squeamish or sexually timid.

You Can

ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

Sexual Aides:

How to order them without embarrassment.
How to use them without disappointment.

Today, people are interested in improving the quality of their lives and exploring their own sensuality with options from the Xandria Collection.

The most important aspect of satisfaction is trust. Trust us... thoughtful consideration goes into each product in the catalogue. Quality, value, and sensual appeal are all important elements, as are you, the customer.

What is The Xandria Collection?

It is a very special collection of sensual products. It includes the finest and most effective products available from around the world.

Products that can open new doors to pleasure (perhaps many you never knew existed)!

Our products range from the simple to the delightfully complex. They are designed for both the timid and the bold. For anyone who's ever wished there could be something more to their sensual pleasure.

The Xandria Collection has a unique three-way guarantee. We've had the same, no worry guarantee for the past 17 years (since 1974).

First, we guarantee your privacy.

Everything we ship is plainly packaged and securely wrapped, with no clue to its contents from the outside. All transactions are strictly confidential and we never sell, give or trade any customer's name.

Second, we guarantee your satisfaction. If a product seems unsatisfactory, simply return in within 60 days for a replacement or refund.

Third, we guarantee the quality of our products for one year. If it malfunctions, simply return it to us for a replacement.

The Xandria Gold Collection... a tribute to closeness and communication. Celebrate the possibilities for pleasure we each have within us. If you're prepared to intensify your own pleasure, then send for the Xandria Gold Collection Edition catalogue. It is priced at just \$4.00 which is applied in full to your first order.

Write today. You have absolutely nothing to lose. And an entirely new world of enjoyment to gain.

Jeff Stryker's How to Enlarge Your PENIS

Enlarge your PENIS to its Maximum Potential!

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis enlargement method can work for you.

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder (you actually watch your penis grow). Erect measurements up to 12 inches!

Your penis grows larger and firmer more than you ever dreamed possible!

ADD 3 to 4 INCHES to Any Size Penis And We Guarantee It!

Plus Add 30% to 40% in diameter!

BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to \$40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

CAUTION: Komet is the original, highest quality battery powered aid. Do not accept any cheaper model at any price.

NEXT MONTH IN HUSTLER

February HUSTLER on sale December 24, 1991

WHIP IT GOOD

February's HUSTLER plugs in six tight, pink heaters to beat the winter chill. Warm up beside a hard-assed, golden-haired skin slicker who's determined to pop her bubble butt; stoke the flames with a tawny, bare-foot brunette who sizzles in the dribble of an outdoor bidet; break into a sweat when a hooky-playing Vegas waitress wriggles out of a sausage-skin-tight skirt so she can jiggle a sausage inside her own tight skin; and blow a fuse along with black-haired Raven and white-blond Tanya in a finger-burning, tits-and-ass grab on the steaming shores of their dueling volcanoes. Smell smoke? It's a flesh fire. Gather 'round.

PROBLEM CHILD

Incarcerated at age nine as an innocent ward of the court, Dwight Edgar Abbott went on to graduate from the California Youth Authority with honors. Surviving the killing grounds of Nelles, Paso and Preston, Abbott capped his time at Deuels, the CYA's oldest and most hardened ward—a cage for kids considered incorrigible. Abbott, with writer Jack Carter, recounts his state-sponsored road to hell in *Born in the CYA*, word up from a firsthand expert on the California prison system, whose postgraduate studies include San Quentin, Vacaville, Lompoc and Folsom.

GIRLS ON FILM

If you think only men have the balls to order a bunch of lazy, unwashed exhibitionists to grease up, get hard and screw, three of the hottest, most successful porn directors will surprise you. They're women. Squackstress directors Britt Morgan, Eselle Ferrand and Patti Rhodes take HUSTLER interviewer Dix Handley on a backstage tour of the feminine side of fuck films in *Who's Zoomin' Who?*, an eye-popping spread from three hotspots who know.

FILLING THE CRACKS

Writer Michael Heimowitz takes February's *Sex Play* to the homefront lines of connubial copulation in "Home Alone: The Porn Tape," a revealing look into the video craze that's mucking up VCRs from coast to coast; *Hot Letters* leaks the kinkiest secrets from the neighbors next door; *Beaver Hunt* boasts another open season; and the funny-bone-heads behind *Bits & Pieces* unleash the "Superheroes of Sex," "Mike Tyson's Dating Service," and "Sex Devices of the Future" on an unsuspecting skin mag. All in HUSTLER in February. Take aim.
